

MAKE YOUR PLANS FOR JUNE 2008

Announcing a special Quartus Intensive on

THE PROCESS OF THE NATURAL ORDER

The Miracle Experiences of Spiritual Simplicity...Finding the Treasures of the Heart through an Uncomplicated Life

*presented by John and Jan Price, June 26-29
at Tapatio Springs Resort, Boerne, Texas*

The purpose of this Intensive is to fully understand the Universal System that is eternally and naturally in operation to insure the perfect balance in the life of each individual.

The information regarding this Process of the Natural Order began coming through to us recently, primarily during periods of contemplative meditation. We were shown how spiritual ease is more important than mental pressure, that complications were the result of power-applied metaphysics to force a desired outcome.

Our objective will be:

* To release ourselves from identifi-

cation with our present level of understanding; peel the layers and move up.

* To become one with the Natural Order, ease into its vibration and feel the gentle but omnipotent flow.

* To work with the inner rhythm of our energy field--to glide, not push.

* To insure that our intentions are removed from lower chakra attachments.

* To go beyond thoughts to conscious knowing.

* To attain heart chakra consciousness--the Great Harmonizer. This is when we move into a state of miracle experiences.
