

Announcing
The Mystery School of Divine Light
 and
The 25th World Healing Day Event

December 29, 2010-January 2, 2011
 at Tapatio Springs Resort, Boerne, Texas

The purpose of the Mystery School of Divine Light is to awaken and realize the Truth that we are indeed Light Bearers for our time. It will also be Torchbearer preparation for those who are ready and willing to carry the Light.

And God said, "Let there be light"; and there was light. And God saw that the light was good.

LIGHT: It is "The highest form of energy we know...the one creative and unifying force of the universe." (*The Theory of Celestial Influence* by Rodney Collin.) "Light," wrote Edwin D. Babbitt, "reveals the glories of the external world and yet is the most glorious of them all...the more deeply we penetrate into its inner laws, the more will it present itself as a marvelous storehouse of power to vitalize, heal, refine, and delight mankind." (*The Secret Teachings of All Ages* by Manly P. Hall.) "Light was the first great revelation of Divine Creative Energy that called all living things into

being." (*The Science of Mind* by Ernest Holmes.) "If you could step back and look at your Self, you would see a blazing light in, around and through you--a radiant auric field of infinite intelligence, power, wisdom, and love, universal and fully present at the point where you are. You are that Light!" (From *The Jesus Code*.) "This Light shall be called the Everlasting Father--the perpetual, never-ending begetter of all that is good. It is the Prince of Peace, the revealer of harmony and tranquility in life, and you are guaranteed that this outpouring of blessings will only increase without end." (From *The Angels Within Us*.)

In the School we will become consciously aware of our Light...we will BE the Light, radiate our Light, live our Light as the magnificent Beings we are. And on December 31st we will be empowered to participate in the Global Mind-Link for the healing and harmonizing of Planet Earth.
