ABOUT THE PEACE AND PLENTY INTENSIVE

Session begins at 7:00 Friday evening, December 29th, and continues on Saturday, December 30th.

PEACE. To achieve it we must clear the solar plexus center of direct inhibition and suppression. This will be followed by a transmutation of the emotions into aspiration and love.

In addition, we will study the science of *Divine Indifference* to lessen the pulls, impulses and attractions of the emotional nature. Finally, we will enable the soul to "breathe upon the waters" as the Angel of the Presence descends. Then the stillness. *Peace within thy walls.*

PLENTY. All-sufficiency comes forth when we are consciously willing and ready in heart and mind for manifest abundance. We will work with the Power of Will clothed in Love to remove the obstacles in the unconscious realm that are screening out the natural process of riches. Through the Will aspect we will multiply provisions and honor God's Will for abundant prosperity.

Then we will stand forth in our readiness, consciously being *ready* in the NOW moment for the manifestation. *Prosperity within thy palaces.*

PROGRAM FOR THE GLOBAL MIND-LINK

Beginning at 5:30 A.M., December 31st--a morning of healing and harmonizing Planet Earth and all forms of life hereon. A continental breakfast will be served.

We will move into the deep peace in consciousness established the day before, be one with our Holiness and feel the energy building for peace on earth and goodwill toward all. And then at six o'clock we will gather in spirit with people all around the world to hear and feel the World Healing Meditation. At the conclusion of the meditation, we will call on those who are stationed at previously designated power points to speak the words of their vision for a new beginning, a new world.
